ENVIRONMENTAL INFORMATION REQUEST

3. Provide a revised table 2 of the Phase I report indicating the milepost location for each archaeological site. Provide a similar table for the 30 identified architectural resources.

Response

Midwestern indicated in its July 29, 2005 response that a similar table for the 30 identified architectural resources would be provided in the architectural report discussed in the response to Question No. 5. Midwestern is providing such table herein as part of its Architectural Reconnaissance Survey attached hereto as Attachment 1 which is designated as "Privileged Information".

4. Provide any site forms for the archaeological sites and any architectural recording forms for the architectural resources.

Response

Midwestern indicated in its July 29, 2005 response, in this proceeding that it would provide architectural recording forms for architectural resources in its architectural report. Such recording forms are included in the Architectural Reconnaissance Survey attached hereto at Attachment 1 which is designated as "Privileged Information".

5. Unless there is a separate architectural report, the Phase I report needs to include a more detailed discussion of the architectural resources identified including descriptions, age (or estimates), field or formal number, photos, National Register of Historic Places (NRHP) eligibility assessment, etc., of each resource.

Response

Midwestern indicated in its July 29, 2005 response that it would provide an architectural report that would include the identified topics as well as the information requested in Question Nos. 3 and 4. Midwestern herein is submitting a copy of the Architectural Reconnaissance Survey attached hereto at Attachment 1 which is designated as Privileged Information".
